HISTORIES OF THE NATIONAL MALL

mallhistory.org

Mallhistory.org is a new website designed for exploring the history of the National Mall on a phone, tablet, or laptop.

What is it?

Histories of the National Mall takes you on a tour of the National Mall's rich past by offering:

- historical maps
- a chronology of past events
- short biographies, and
- episodes in the Mall's history

The site is designed for mobile devices while touring the Mall, or at home on a desktop browser.

You will never need to download a separate app or additional software to access the content of this website.

Histories of the National Mall is a Project Of:

NATIONAL ENDOWMENT FOR THE
Humanities
